

UNDERSTANDING YOUR POINTS

ANNUAL ALLOTMENT OF POINTS

- Adventure Club points are allotted on January 1 of each usage year.
- You choose your destination, dates and accommodations to fit your family's needs.
- Options to reserve as many 7, 4 and 3 night stays as your points allow (check-in day varies by resort).

BORROWING POINTS

- Borrowing takes points from the end of your agreement to make or complete reservations requiring points beyond your annual allotment.
- You may borrow points equal to 1x your annual allotment.
- Annual maintenance fee payment must be made at the time the points are borrowed, for the usage of the borrowed points.
- Borrowed points do not affect your next usage year.
- If you have paid your Club agreement in full, you have the option of borrowing an unlimited number of points at any time.
- Borrowed points are subject to defined reservation windows.

SAVING POINTS

- Unused points can be rolled over or "saved" to the following year.
- Any unused points will be automatically saved into the next calendar year at midnight on December 31 of your current usage year.
- Saved points can be used any time in the calendar year immediately following the usage year from which points were saved.

PURCHASING ADDITIONAL POINTS

Permanently increase annual points allocation

- Purchase points at any time, paying current price per point.

Complete a single reservation

- Borrow points.
- Rent up to 25% of annual allotment to complete a reservation after entire annual allotment has been used.
